**BRASS ARCH
INSTRUCTIONS**

SET UP:

- The arch will come in four pieces wrapped in moving blankets.
- Carefully unwrap and lay pieces out.
- Remove wing nuts from studs
- Attached a curved top half with a straight side and secure with wing nuts.
- Attached the second curved top half with the second straight side and secure with wing nuts.
- With both sides standing up, attach both top halves together and secure with wing nuts..
- Floral and other decorations may now be tied or wired onto the arch.

TAKE DOWN:

- Remove all added decorations being careful to not damage the arch.
- Remove the center wing nuts and detach the two halves.
- Take both halves apart by removing wing nuts and separating.
- Make sure the wing nuts are all re-attached so they can be returned with the arch.
- Re-wrap the arch pieces in the blanket and secure with tape or stretch wrap prior to transporting back to the store.
