WICKER ARCH INSTRUCTIONS

SET UP:

- The arch will come in two pieces wrapped in moving blankets.
- Carefully unwrap and lay both pieces out with the top halves positioned together.
- Secure the two halves with the zip ties provided; use one tie in the front, one in the middle, and one in the back.
- With a person on each side, the arch can now be raised into position.
- Floral and other decorations may now be tied or wired onto the arch.
- Do not use tape to attach decorations as this may damage the paint.

TAKE DOWN:

- Remove all added decorations being careful to not damage the paint or wicker.
- Carefully lower the arch to the floor using a person on each side for support.
- Cut through the zip ties being careful to not damage the wicker.
- Lay out the moving blankets and place the two halves of the arch together on the blankets.
- Re-wrap the arch pieces in the blanket and secure with tape or stretch wrap prior to transporting back to the store.
